

Teresa Ann White

February 20, 1955 - August 30, 2024

Teresa Ann White passed away on August 30, 2024. Teresa's service to others brightened the lives of many people and animals. She believed wholeheartedly in helping those in need. For twenty-five years she worked at the Higginsville Habilitation Center improving the lives of all in her care. Teresa was a dedicated mother who taught her children the necessity of love, joy, and the positive power of service. Her colorful perspectives on life comforted, entertained, and educated all who were blessed to have known her.

Teresa was truly one-of-a-kind. Unafraid to speak necessary words, and to take necessary actions, she always strived to do the right thing. Teresa lived a life dedicated not only to the service of people, but also to that of animals, feeding and caring for homeless cats and the occasional raccoon or possum that came to her house. A creative soul, Teresa was an accomplished pianist and loved making art using colored pencils.

Teresa is survived by her longtime companion, Roy Hutchison; daughter, Cristina Chopalli, son-in-law Prashant Chopalli and her son, Raymond Gonzalez. We will carry the sound of her laughter and the joy of her smile in our hearts until we meet again. Private burial for the family per Teresa's wishes, will take place in the Oak Grove Cemetery.

“ Teresa was my Aunt, my Moms little sister...I had lost contact with her after my Mom passed and had tried to find her several times over the years but was unsuccessful. I only learned of her passing via this Obituary...I had missed her for years and wish I could have talked with her again...Love you Aunt Terry
