“ May God keep you and give you strength during this time of mourning. I know Mr. Abney was loved because of all the wonderful things that I have heard from Courtney. Mr. Abney touched many lives while he was here. I know there will be many that will miss and remember him. I believe he was greeted by his loving Savior Jesus Christ, hearing the words "Well done my good and faithful servant". Stay encouraged and hopeful. I will be praying for you all.

“ *Cindy & Family,*

We are so sorry to hear of Terry's passing. Ruth just emailed me to let me know. Kyler & Darin so much admired him and enjoyed bowling with him. I always enjoyed yours and his company at the country club. We all know that he is no longer suffering and is in the arms of our savior Jesus Christ. God Bless you and give your family strength in this difficult time.

“ *I am so sorry to hear of the passing of Terry. He hired me at Lake City 9 years ago. He was always laughing, smiling and joking during our meetings. Terry took his job seriously and always talked about his wife, children and grandchildren. You were all his pride and joy! He will be missed by us all.*

May the Lord wrap his arms around you all and keep you safe until you are reunited with Terry once again. My thoughts and prayers are with you!

“ Audrey, I was so sorry to learn of Terry's passing from a friend here in Sedalia. I remember all of your family from our past reunions with the Cramer family. My Mom was June Cramer Green and you may remember that I brought my snakes to your Higginsville school a few years ago. I see that Terry had a full and Christian inspired life. No doubt that he is having a much better day than those of us left behind to mourn his passing. There is a never-ending party in Heaven and we shall join the celebration in God's own time. Please accept my deepest condolences and wishes for peace in the days ahead. Sincerely, Connie Koch
