“ I just want to say thank you Wayne for everything you did for me & my children during your time @ Lafayette County C-1. I appreciated your caring heart and genuine personality! A good teasing and an honest smile always brightened my days! Light bulbs in the ag building were your specialty and I could always count on you when I had some special request! I ask for comfort of your grieving loved ones and may we all find the love & peace you now have with our Lord in heaven! Some day I'll finally sit down & we will have that glass of wine.

“ So sorry to hear of Wayne's passing. I remember how quiet and shy he as in school, but was always smiling. My oldest son met him while doing some construction work on the school a few years ago. He thought Wayne was a great guy. So sorry for your loss.
