“ *Please accept my deepest sympathies. I had the pleasure of spending many hours with Jr. when I worked at the Hab. Center many years ago. I always looked forward to the guys having to go and get their hair cut because I knew we would be greeted with that smile from him that would make me in a good mood, no matter how bad my day was, and I would get to hear great stories as he cut their hair. He was a wonderful man, and he made an impact on so many lives...many you probably have no idea about...like mine. Again, please accept my deepest sympathy. I know he is watching down on each of you. God's speed to each of you.*

“ I am so sorry that Uncle Junior has passed. He always made me smile and I have many great memories about him. I wish that I could be there but know that you are all in my thoughts and prayers even if I am not with you.
